Wherever possible this will be delivered in the classroom, but there may be times that this is not possible e.g. Speech and language therapy. We can also call on the range of advisors and educational psychologists locally. If we are concerned about your child's progress in learning we will discuss this with you. If you have a concern about your child, please make an appointment to see the class teacher. If you have any family history of learning difficulties please tell the school as soon as possible. This can help early intervention should there be any concerns. Your child's progress depends on you sending them to school every day. Please ensure that your child gets a good chance to learn by ensuring that they come to school on time every day.

Glimpse of Lawrence.....

Our care for the child
should be governed,
not by the desire
to make learn things,
but the endeavor
always to keep burning
within him that light
which is called intelligence
